FFA hosts sweetheart event

MONROE — The South Sevier High School FFA chapter hosted its FFA week March 1-5.

The week kicked off with the greenhand breakfast — a welcoming event for new FFA members, according to Sara Phelps, SSSH FFA adviser.

“The FFA officers went and picked up the greenhands early in the morning by surprise and then they were served green pancakes and

eggs,” Phelps said.

Other traditions include painting their hands green for the day.

Winners of the FFA Sweethearts Pageant include April Christensen, FFA Sweetheart; Danielle Burch, first attendant; and Shaquira Begay, second attendant.

Participants in the FFA pageant participated in contests including a horse saddling event, where Erika Smith took

top honors; roping, won by Christensen; FFA Jeopardy, Burch; and best cake overall at a cake auction, Kourtney Pettichord.

Other girls competing included Amy Ogden and Rebecca Imes.

The FFA members also had a pizza party.

“South Sevier FFA would like to thank all who participated and helped make our FFA week a success,” Phelps said.
